TABLE OF CONTENTS

1	VISION AND MISSION

OUR VISION

Our **vision** is to be recognised for our positive and empowering contribution towards the local business and broader community. As part of a university, we are fully committed to our engagement with Science, but at the same time we also understand that, as a public institution, we have a special role to play within the community. We believe that the effective integration of these two foci not only adds value to the broader community but also adds a differentiating value to our graduates and our faculty. While our qualifications are benchmarked against international best practice, they are designed to reflect a sensitivity to the needs of our local communities.

OUR MISSION

Our **mission** is derived from the fact that Nelson Mandela University is one of the few really comprehensive universities, not only in South Africa but in the world. This means that we offer a wide range of business-related study opportunities that vary from general formative programmes to programmes with a strong career orientation. This inclusive qualification mix not only allows students a wide choice but also the opportunity to articulate between programmes while retaining credits - all of this within the same institution. At the same time, we offer programmes over the full spectrum, from undergraduate certificates to doctoral degrees.

3	GENERAL INFORMATION AND REGULATIONS

Every student of this faculty is bound by the rules contained in this document and in addition by the Nelson Mandela University's regulations as contained in the General Prospectus and all relevant policies. It is the responsibility of every student to acquaint him/herself with the contents of the relevant rules and policies.

3.1	GENERAL ADMISSION REQUIREMENTS (UNDERGRADUATE)

The admissions requirements for undergraduate programmes offered by Nelson Mandela University consist of:
- the statutory minimum requirements based on the National Senior Certificate (NSC), or equivalent school-leaving certificate;
- the Applicant Score (AS), a composite score based on school subject achievement; and
- specific school subject and other requirements (e.g., departmental selection, portfolios, interviews)

These requirements are relevant for the following local and international qualifications: NSC, Senior Certificate, Cambridge qualifications, International Baccalaureate, Namibian and Kenyan Senior Secondary Certificates, and the NC(V) 4.

NSC MINIMUM STATUTORY ENTRY REQUIREMENT
Qualification Minimum Statutory Entry Requirement:
Currently the statutory requirement for admission to a higher certificate, diploma or degree programme is a National Senior Certificate with the appropriate endorsement as well as the minimum language of teaching and learning requirement of the Higher Education Institution.

Qualification	Minimum Statutory entry requirement
Higher Certificate	Pass the NSC, with a minimum of 30% in the language of learning and teaching of the higher education institution, together with any other university requirements.
Diploma	Pass the NSC with a minimum of 30% in the language of learning and teaching of the higher education institution, coupled with an achievement rating of 3 (40–49%) or better in four recognised NSC 20-credit subjects, together with any other university requirements
Bachelor's Degree	Pass the NSC with a minimum of 30% in the language of learning and teaching of the higher education institution, coupled with an achievement rating of 4 (50–59%) or better in four NSC 20-credit subjects together with any other university requirements.

NC(V)4 applicants must meet the minimum requirements for higher certificate, diploma or degree entry as well as the AS and subject admission requirements.

Applicants with **alternate**, **international** or **foreign** qualifications must satisfy the requirements laid down by the Matriculation Board to qualify for a certificate of

exemption for a particular alternate, international or foreign school-leaving qualification. These requirements are contained in Government Gazette No. 31674, 5 December 2008 and can be found on the HESA website http://www.hesa-enrol.ac.za/mb/forpres.htm. Applications for such certificates must be made to the Matriculation board directly: https://mb.usaf.ac.za/

THE APPLICANT SCORE (AS)
For *NSC applicants* with **seven** Grade 12 subjects, the AS is calculated by adding the percentages for the six 20-credit subjects (**Note** that the Life Orientation percentage is not included as it is a 10-credit subject). This gives a score out of 600.

For those applicants taking **eight or more** subjects the AS is calculated as follows:
- add the percentages obtained for the three compulsory / fundamental subjects (the two languages and Mathematics or Mathematical Literacy),
- plus the percentage(s) for any subject(s) required by the programme,
- together with the percentage(s) for the next best / highest subject(s), to a maximum of six subjects.

For those applicants from Quintile 1 to 3 schools who attain 50% or higher for Life Orientation, 7 points are added to their score out of 600 to arrive at their final AS.

The table below provides an example of how to calculate the AS for:
- **Applicant 1** has 7 NSC Grade 12 subjects and is applying for a programme with Life Science and Physical Science as required subjects; and
- **Applicant 2** who is applying for the same programme, but who took 8 subjects in Grade 12.
- **Applicant 3** who is applying for the same programme, but who is from a Quintile 1 school.

NSC Subject	Applicant 1		Applicant 2		Applicant 3 from Quintile 1 school	
	% obtained	% used to calculate the AS	% obtained	% used to calculate the AS	% obtained	% used to calculate the AS

APPLICANT SCORE (AS)		**370**		**375**		**377**

For *South African and International applicants with International, NC(V) 4 or Foreign School-Leaving certificates*, use the table below to calculate an equivalent Applicant Score (AS) for admission, based on percentages obtained in such certificates.

Applicants will have to comply with the minimum Applicant Score (AS) set for the Undergraduate qualification they wish to apply for, as well as meet any other additional subject requirements directly.

The Applicant Score (AS) uses the symbols/achievement rating/percentages obtained in an applicant's school-leaving examinations in order to convert them to an equivalent achievement standard on the National Senior Certificate (NSC). The AS is calculated using six subjects, which must include the language(s), and subject requirements for admission, but excluding Life Orientation.

SCHOOL SUBJECT AND OTHER REQUIREMENTS

The Undergraduate Programmes General Information & Admissions Requirements Guide, University website or Faculty Prospectus provides information on the required subjects and what the minimum AS required for admission is for each undergraduate programme offered by Nelson Mandela University

Candidates who satisfy the minimum requirements and who apply online before the official early closing date (August 3) are given preference.
Applications will be considered until the 30th of September.
Applicants who apply in January will have to apply through Central Application Service Hub (CASH).
Final acceptance is based on official final school-leaving results. Applicants currently at school receive provisional, subject to submission of final results.

NATIONAL BENCHMARK TEST (NBT)

Generally, most programmes offered at the Nelson Mandela University do not require applicants to write the National Benchmark Test (NBT). However, there are a very small number of qualifications which require NBT results. If under the requirements of the programme you are interested in, states that NBT results are required, please consult the NBT website (https://www.nbt.ac.za) to book a test date. Applicants interested in programmes requiring NBT results are encouraged to book and write these tests as early as possible. A reference letter from the University is not required.

3.2	**GENERAL ADMISSION REQUIREMENTS (POSTGRADUATE)**

LEVELS AND TYPES OF POSTGRADUATE STUDY

Postgraduate qualifications are structured as follows:
- Postgraduate certificate or diploma
- Bachelor honours degree
- Master's degree
- Doctoral degree

A **postgraduate certificate or diploma** provides an opportunity to undertake advanced study that will strengthen and deepen your knowledge in a particular discipline or profession. Completion of the qualification gives graduates access to a related master's degree programme. The programmes consist mainly of coursework modules and may include conducting and reporting research under supervision.

Duration of study: one year full-time
The bachelor **honours degree** is the initial postgraduate specialisation qualification, preparing students for research-based postgraduate study. This qualification typically

follows a bachelor's degree, and serves to consolidate and deepen the student's experience in a particular discipline, and to develop research capacity in the methodology and techniques of that discipline. It demands a high level of theoretical engagement and intellectual independence. In some cases a bachelor honours degree carries recognition by an appropriate professional or statuary body. Bachelor honours degree programmes usually include conducting and reporting research under supervision, in a manner that is appropriate to the discipline or field of study. Not all honours programmes at Nelson Mandela University involve conducting research, but all of them include a research methodology course as part of the coursework component. Completion of a bachelor honours degree meets the minimum entry requirement of admission to a cognate Master's degree. Entry into a master's degree programme is usually in the area of specialisation of the bachelor honours degree. A qualification may not be awarded for early exit from a bachelor honours degree.
Bachelor honours programmes usually take one year of full-time study.

A **master's degree** may be earned in one of two ways: (i) by completing a single advanced research project, culminating in the production and acceptance of a dissertation, or (ii) by successfully completing a coursework programme and a smaller applied research component. The admission requirement is a relevant honours degree. Professional or advanced career- focused bachelor's degrees, such as BEng, BPharm, BCur, BPsych and BTech, may also be recognised as the minimum entry requirement to a related master's degree programme. Duration of study: Coursework master's degree: one year full- time. Research master's degree: one year to 4 years.

A **doctoral degree** requires a candidate to undertake research at the most advanced academic level, culminating in the production of a thesis. The research outcome has to make a significant and original academic contribution to a discipline or field. The degree may be earned through pure discipline based on multi- disciplinary or applied research. The degree may include a coursework component as preparation to the research, but does not contribute to the credit value of the qualification.
Duration of study: 2 to 6 years

| 3.3 | RE-ADMISSION REQUIREMENTS FOR UNDERGRADUATE PROGRAMMES |

Re-admission requirements are, where applicable, also reflected as part of the qualification or programme specific requirements in addition to the general requirements reflected here.

Once a student has been admitted to a qualification or programme and studies have commenced, it is expected that reasonable **academic progress** will take place every year. However, in reality some students do not live up to this expectation and the University is then obliged to deal with that situation. The outcome may be that such students would have to terminate their studies. To deal with situations like this the University has adopted a Policy on re-admission to Undergraduate Programmes and each faculty has formulated specific re-admission rules applicable to the programmes offered by that faculty.

When considering a student's re-admission status, the **period of study** will influence the outcome of the decision. A minimum and maximum period of study has been determined for each qualification or programme (please consult the General Prospectus for details). In the event that a student has reached the end of the prescribed maximum period of study, the student will only be readmitted under special circumstances (e.g. when the student, with due consideration of his/her academic record, is likely to complete his/her qualification by the end of the following year).

Since monitoring of the academic progress of students is on-going, students will normally be alerted before re-admission is denied; conditions may also be set for registration when it is noticed that a student's academic performance is not satisfactory. Conditional re-admission may include limiting the modules for the next year and/or deregistration of modules at the end of the first semester should specified performance requirements not have been met.

In what follows, the re-admission rules for all the programmes in the Faculty are set out in tabular format. In order to be readmitted to a programme, a student needs to have accumulated a minimum number of credits at the end of each year of study. The relevant number of credits for each programme is indicated in the tables with reference to each year of study.
If after a particular year of study the required number of credits has not been achieved, the student may either be readmitted subject to certain conditions or be refused re-admission. (It should be noted that, in order to accommodate the difficulties associated with the transition from school to university, students are normally not refused re-admission at the end of their first year.)

In the event of refusal a student may lodge an **appeal** in terms of the prescribed procedure outlined in the General Prospectus.

Process to determine whether re-admission requirements have been met
The following process will be followed to determine whether a student has met the re-admission requirements:
- At the end of each year Faculty Administration reviews students' progress and simultaneously identifies those students who have not met the required re-admission requirements. Heads of Department, in consultation with Faculty Administration, finalise the list of students who have not met the re-admission requirements;
- Faculty Administration informs students accordingly via email and copies of the letters are placed on the students' records;
- Students who have been refused re-admission have one opportunity to apply for enrolment in an alternative programme via the Faculty Administration Office;
- Students have the right to appeal against the decision to refuse them re-admission.

Appeal procedure
The student has the right to appeal against a decision to refuse re-admission. The decision reached by the appropriate faculty committee regarding the re-admission appeal will be final and no further appeal will be permitted.

The process followed to apply for, consider and deal with a re-admission appeal is as follows:
- A student must submit their appeal in writing on a prescribed re-admission appeal form, with full motivation and supporting documentation, to the Faculty Administration by either the last day of the re-examination period or within five (5) working days of receiving notification of re-admission refusal, whichever date is the latest. The Faculty Administration must forward the appeal, together with a copy of the student's study record and the letter in which the student was informed that he/she was being refused re-admission, to the Committee.
- The Committee will then handle the appeal where consideration could be given to factors such as:
  (a) The student's academic record.
  (b) The appropriateness of the reasons for the refusal to readmit the student.

(c) Whether there are any special circumstances related to the student's unsatisfactory academic performance that should be taken into account and which could mitigate against refusing re-admission

- A statement of the outcome of the appeal and a motivation for the decision reached will be communicated via e-mail and placed on the student's record by the Faculty Administration.

3.4	EXTENDED PROGRAMMES

The high failure rate of first-year students at the Faculty of Business and Economic Sciences, particularly those from disadvantaged educational backgrounds, is indicative of an underlying educational system not focused on the realities of our situation. Accepting students into programmes, knowing that the probability of success is very low, results not only in the wastage of economic resources but also in a system which is ethically questionable.

The aim of the extended programme is to offer an integrated solution to the problems of an under-prepared matriculant wanting to study at the Faculty of Business and Economic Sciences. It addresses the need for academic bridging within the context of a particular mainstream programme.

PHILOSOPHY
The following are the fundamental principles underpinning the introduction of these programmes:
- Certain students, particularly students from educationally-disadvantaged communities, may have the potential to study successfully at a tertiary level but are under-prepared for the particular programme.
- It would be unethical to exclude students with potential if they are under-prepared due to reasons beyond their control. Opportunities should be developed to facilitate access.
- Allowing a student without the necessary potential to register for a programme is unproductive and unethical.
- Only students with potential and who are properly prepared should be accepted into the normal mainstream programmes.
- Students who have potential, but are under-prepared, should be provided access by:
    - o providing relevant pre-tertiary development (bridging); and
    - o integrating the bridging activities with mainstream study.

OBJECTIVES OF PROGRAMME
The following are the major objectives of these programmes:
- To provide additional access to under-prepared students with potential.
- To provide academic support for under-prepared students.
- To improve the success rate of first-year students.
- To integrate academic bridging activities with mainstream activities.

3.5	**STATEMENT ON THE UNIVERSITY'S INTERVENTION IN THE EVENT OF POSSIBLE DISRUPTIONS TO ACADEMIC ACTIVITIES**

From past experience the University knows that circumstances beyond our control may disrupt our academic activities. The University therefore reserves the right to implement certain emergency measures when deemed necessary to manage such situations. Please note that the University shall not be held liable for any inconvenience, damage or other negative consequence resulting from the implementation of such emergency measures.

4	CERTIFICATES

4.1	HIGHER CERTIFICATE IN ACCOUNTANCY

Qualification code:	2501
Offering:	Full-time South Campus (A1)
Aligned NQF Level:	5
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).
- The purpose of this qualification is to train qualified bookkeepers for the private and public sectors. They will have the opportunity to enhance their skills and knowledge in the field of accountancy.
- This programme will also equip students with the essential knowledge and specific skills they need in order to be competent in performing basic bookkeeping, tax and accounting services both manually and in the computerised environment.
- Students who do not meet the direct entry requirements for the mainstream qualification will have the opportunity to study further at tertiary level after the completion of the programme.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for higher certificate entry must be met.
- An applicant with NSC Grade 12 Mathematics or Technical Mathematics requires a minimum Applicant Score of 290.
- An applicant with NSC Grade 12 Mathematical Literacy requires a minimum Applicant Score of 305.
- NSC achievement rating of at least 35% for Mathematics or Technical Mathematics or 60% for Mathematical Literacy.

RE-ADMISSION REQUIREMENTS
Students have two years to complete the Higher Certificate in Accountancy. Those who do not obtain at least 72 credits in the first year of study will only be allowed to reregister for the next year subject to certain conditions.

STATUTORY AND OTHER REQUIREMENTS
Site of offering:
The qualification shall be offered at the South Campus of the university.

DURATION
The qualification shall be offered over a minimum of one year.

5.1	DIPLOMA IN ECONOMICS (EXTENDED)

Qualification code:	4437
Offering:	Full-time 2nd Avenue Campus (C7)
Aligned NQF Level:	6
Total NQF Credits for qualification:	360

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).
- The purpose of the programme is to integrate additional academic support and skills development with mainstream courses in order to prepare the student for successful completion of the relevant Diploma.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for diploma entry must be met.
- An applicant with NSC Grade 12 Mathematics or Technical Mathematics requires a minimum Applicant Score of 310.
- An applicant with NSC Grade 12 Mathematical Literacy requires a minimum Applicant Score of 325.
- NSC achievement rating of at least 35% for Mathematics or Technical Mathematics or 55% for Mathematical Literacy
  OR
- A Higher Certificate in Business Studies or an equivalent qualification

  Students who graduated with a Higher Certificate in Business Studies will be considered for admission to the Extended Diploma in Economics, provided:
  - they have not interrupted their studies for the Higher Certificate;
  - they have achieved the minimum pass requirement of 50% for all the modules that constitute the curriculum of the qualification; and
  - they have graduated within the maximum time frame of 2 years of full-time study.

SELECTION PROCEDURE
The Faculty has limited capacity, both full-time and part-time. This implies that, should the number of applicants meeting the minimum requirements exceed capacity, a selection procedure must be applied.

The following are the three core elements of this selection system:
- Candidates who satisfy the minimum requirements and who apply before the official closing date receive preference. Should these applications exceed the capacity, however, selection is done on academic grounds using the rating system and the results of the aptitude tests.
- Late applications are only considered where capacity is available. Selection of late applications who satisfy the minimum requirements is done on the basis of first come, first served.
- Final acceptance is based on official Grade 12 results. Selection based on other school results (e.g. November Grade 11 results) is provisional and subject to official Grade 12 results.

5.3	**DIPLOMA IN HUMAN RESOURCES MANAGEMENT (EXTENDED)**

Qualification code:	4543
Offering:	Full-time 2nd Avenue Campus (C7)
Aligned NQF Level:	6
Total NQF Credits for qualification:	360

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).
- The main purpose of the qualification is to equip the students for a career in the field of Human Resource management, which includes the following sub-fields:
  - Employment Relations
  - Employee Development
  - Personnel Management functions
- This programme offers an integrated solution to the problems of an under-prepared matriculant wanting to study in the field of human resource management. The purpose of the programme is to integrate additional academic support and skills development with mainstream courses in order to prepare the student for successful completion of the relevant Diploma.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for diploma entry must be met.
- An applicant with NSC Grade 12 Mathematics or Technical Mathematics requires a minimum Applicant Score of 310.

- An applicant with NSC Grade 12 Mathematical Literacy requires a minimum Applicant Score of 325.
- NSC achievement rating of at least level 30% for Mathematics or Technical Mathematics or 50% for Mathematical Literacy.

SELECTION PROCEDURE

The Faculty has limited capacity, both full-time and part-time. This implies that, should the number of applicants meeting the minimum requirements exceed capacity, a selection procedure must be applied. The following are the three core elements of this selection system:

- Candidates who satisfy the minimum requirements and who apply before the official closing date receive preference. Should these applications exceed the capacity, however, selection is done on academic grounds using the rating system and the results of the aptitude tests.
- Late applications are only considered where capacity is available. Selection of late applications who satisfy the minimum requirements is done on the basis of first come, first served.
- Final acceptance is based on official Grade 12 results. Selection based on other school results (e.g. November Grade 11 results) is provisional and subject to official Grade 12 results.

RE-ADMISSION REQUIREMENTS

Period of Registration	Outcome: 4-year programme (360+ credits)

THE PURPOSE OF THE LEARNING PROGRAMME

This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The purpose of the programme is to integrate additional academic support and skills development with mainstream courses in order to prepare the student for successful completion of the BCom degree.
This qualification is for learners who have passed mathematics in grade 12.

ADMISSION REQUIREMENTS

- Minimum NSC statutory requirements for degree entry must be met.
- An applicant with NSC Grade 12 Mathematics requires a minimum Applicant Score of 370.
- NSC achievement rating of at least 45% for Mathematics.

RE-ADMISSION REQUIREMENTS

Period of Registration	Outcome: 4-year programme (360+ credits)		
	Continue studies	Conditional re-admission	No re-admission
After 1 year	40+ credits	28 credits	Less than 28 credits
After 2 years	84+ credits	72 –83 credits	Less than 72 credits

STATUTORY AND OTHER REQUIREMENTS

Promotion:
- Candidates shall only be permitted to register for any modules in the second year of study if they have passed at least 32 credits of the modules prescribed in the first year of study. Candidates who do not meet the promotion requirement above will only be allowed to re-register for the programme if they have passed a minimum of 25 credits of the foundational modules in their first year of study.

- Candidates who have not completed all the foundational modules in the programme after three (3) years of full-time study will not be allowed to re-register for the programme.

Site of delivery:
- The programme will be offered on the Nelson Mandela University Summerstrand South Campus.

For the purposes of this curriculum, the "R" module can substitute the related "RG" module. For example, the student will be permitted to have passed RV201 (Accounting 2A) instead of RGV201 (General Accounting 2A).

DURATION
The qualification shall extend over a period of four years of full-time study.

Qualification code:	4406
Offering:	Full-time 2nd Avenue Campus (06)
Aligned NQF Level:	6
Total NQF Credits for qualification:	366

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The objective of this programme is to educate persons with an interest in Economics to pursue careers in assisting economic research and economic report writing in public and private sector institutions; the latter including, amongst others, economic journalism.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for diploma entry must be met.
- An applicant with NSC Grade 12 Mathematics or Technical Mathematics requires a minimum Applicant Score of 330.
- An applicant with NSC Grade 12 Mathematical Literacy requires a minimum Applicant Score of 345.
- NSC achievement rating of at least 40% for Mathematics or Technical Mathematics or 60% for Mathematical Literacy
  OR
- a Higher Certificate in Business Studies or an equivalent qualification
  Students who graduated with a Higher Certificate in Business Studies or an equivalent qualification will be considered for admission to the Diploma in Economics, provided they have demonstrated academic diligence by:
  - o Having completed their course of study for the qualification within the minimum time frame of one year; and
  - o having exceeded the minimum pass requirement of 50% for all the modules that constitute the curriculum of the qualification.

RE-ADMISSION REQUIREMENTS

Period of Registration	Outcome: Full-time 3-year programme (360+ credits)		
	Continue studies	Conditional re-admission	No re-admission
After 1 year	72+ credits	Less than 72 credits	N/A
After 2 years	144+ credits	80 – 143 credits	Less than 80 credits

After 5 years			Less than 360 credits, unless special circumstances exist
After 6 years			N/A

STATUTORY AND OTHER REQUIREMENTS
Selection of specialisation streams:

Students will register for a specific specialisation at the beginning of the first year of study. In this they will be guided by their own previous learning experiences and the career information pertaining to the five specialisation options (Management, Economics, Logistics, Marketing and Tourism) they have received prior to registration for the first year. Students will remain registered for the original diploma stream of their choice if they meet the minimum readmission and promotional criteria as indicated above.

Students who wish to change from the specialisation for which they have registered in the first year, will be allowed to change to any one of the five streams at the beginning of the second year*, subject to available spaces and meeting the minimum re-admission criteria.

(Programme coordinators of the relevant five diploma programmes will arrange special career-counselling sessions during the first year of study.)

Students will not be allowed to register for more than 120 credits per year.

DURATION
The qualification shall extend over three years of full-time study.

6.3	**DIPLOMA IN HUMAN RESOURCE MANAGEMENT** *(NO NEW INTAKE)*

Qualification code:	4514
Offering:	Full-time 2nd Avenue Campus (06) **OR** Part-time 2nd Avenue Campus (27)
Aligned NQF Level:	6
Total NQF Credits for qualification:	360

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The primary purpose of the Diploma in HRM is to equip students as potential HR practitioners with the fundamental knowledge, competencies and values associated with the HR profession, as depicted in the SABPP Competency Model. This includes competencies related to workforce planning, learning, performance, reward, wellness, employment relationship management and organisational change to provide an effective efficient service in line with business strategy. This is done with cognisance of the South African political, legislative, social, economic and environmental context as well as of the influence of technological developments.

The Diploma in HRM is aligned with the Nelson Mandela University Vision and Mission, the Faculty Strategic Plan, the competency framework of SABPP and industry needs. The Diploma HRM contributes to a diverse knowledge base, institutional ethos, and the transformation and development of a multi-cultural community. The learning programme is also designed to develop desired graduate attributes, which include disciplinary knowledge, social awareness and responsible citizenship, adaptive expertise, creativity and innovation, critical thinking, self-awareness and communication skills.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for diploma entry must be met.
- An applicant with NSC Grade 12 Mathematics or Technical Mathematics requires a minimum Applicant Score of 330.
- An applicant with NSC Grade 12 Mathematical Literacy requires a minimum Applicant Score of 345.
- NSC achievement rating of at least level 35% for Mathematics or Technical Mathematics or 55% for Mathematical Literacy.

SELECTION PROCEDURE
Full-time and Part-time Study:
The Faculty has limited capacity, both full-time and part-time. This implies that, should the number of applicants meeting the minimum requirements exceed capacity, a selection procedure has to be applied. The following are three core elements of this selection system:
- Candidates who satisfy the minimum requirements and who apply before the official closing date receive preference. Should these applicants exceed capacity, however, selection is done on academic grounds using the rating system.
- Late applications are only considered where capacity is available. Selection of late applications who satisfy the minimum requirements is done on the basis of first come, first served.

- Final acceptance is based on official Grade 12 results. Selection based on other school results (e.g. November Grade 11 results) is provisional and subject to the Grade 12 results.

Offering:	Full-time 2nd Avenue Campus (06) **OR** Part-time 2nd Avenue Campus (27)
Aligned NQF Level:	7
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The qualification aims to prepare students both academically and professionally in the selected field to manage various businesses successfully through appropriate planning, organising, directing and controlling the functions and processes of such establishments.
They will be able to collect, analyse and critically review data for effective business and financial decision-making and communicate such decisions and relevant information coherently and reliably. Successful candidates will be able to work independently and as members of a team.

ADMISSION REQUIREMENTS
A relevant 360-credit Diploma in the chosen field of specialisation listed above, or an equivalent qualification.
Candidates who wish to specialise in Financial Planning and Services (Qualification Code 40406) must have majored in at least one of the following fields (or its equivalent) in their previous qualification: (Business) Management; Economics; Financial Accounting; Internal Auditing; Management Accounting; Administrative Management.

SELECTION CRITERIA
The Faculty has limited capacity. Should the number of applicants meeting the minimum requirements exceed capacity, the following selection procedure will apply:
• Candidates who apply before the closing date for any of these Advanced Diploma specialisations, and who meet the selection criteria will be selected as per the Nelson Mandela University Admissions Policy requirements.
• Late applications from candidates who satisfy the minimum admission requirements will be considered if there is space in the programme, and selection will follow an FMC approved departmental selection procedure.

RE-ADMISSION
Progress-based re-admission criteria apply as approved by Senate. Students who have obtained fewer than 60 credits (that is, passed fewer than four modules) in their first year of study will only be allowed to register for the next year subject to certain conditions.

STATUTORY AND OTHER REQUIREMENTS
Recognition of prior learning (RPL):
An applicant's experience in a commercial and/or business environment will be considered and competence in the relevant fields, including numeracy, computer and communications competence, will be assessed in order to determine whether exemption from certain modules will be possible.

DURATION

The qualification shall extend over one year of full-time study or two years part time study. The maximum period of study is three years.

7.10	ADVANCED DIPLOMA IN ECONOMICS

Qualification code:	41400
Offering:	Full-time 2nd Avenue Campus (06)
Aligned NQF Level:	7
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).
- Across the globe Advanced Diplomas are well known qualifications offered with the specific purpose of providing students with a deep, focused, systematic and specialised understanding of current theory and practice in the identified fields.
- They also provide students already holding a general degree with an opportunity to specialize professionally. The curriculum of the Advanced Diploma in Economics consists of purposefully designed modules that will ensure intellectual enrichment, enhanced flexibility in career choices and applied specialisation as required by the labour market.
- The Advanced Diploma in Economics will also provide an articulation route to postgraduate study.

ADMISSION REQUIREMENTS
A 360-credit Diploma in Economics at NQF Exit Level 6, or an equivalent qualification specializing in Economics, or a Bachelor's degree with a pass of 50% and above in all the core Economics modules at NQF Levels 5 and 6.

SELECTION CRITERIA
The Faculty has limited capacity. Should the number of applicants meeting the minimum requirements exceed capacity, the following selection procedure will apply:

- Candidates who apply before the closing date for any of these Advanced Diploma specialisations, and who meet the selection criteria will be selected as per the Nelson Mandela University Admissions Policy requirements.
  - Late applications from candidates who satisfy the minimum admission requirements will be considered if there is space in the programme, and selection will follow an FMC approved departmental selection procedure.

RE-ADMISSION REQUIREMENTS

Readmission will be considered according to the university readmission policy as approved by Senate.

DURATION

The qualification shall extend over one year of full-time study. The maximum period of study is two years.

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

This qualification is prescribed for candidates who intend registering for the Postgraduate Diploma in Accounting after completing the BCom degree.

Introduction:
This programme is prescribed for candidates who intend becoming Chartered Accountants (SA). The programme focuses on Financial Accounting, Auditing, Taxation and Management Accounting. Graduates of this programme need to complete a Postgraduate Diploma in Accounting followed by a period of practical training and professional examinations in order to register as Chartered Accountants. As the highest accountancy qualification in South Africa and also recognised internationally, the title of CA (SA) brings with it a lucrative salary, job security and exciting career prospects. Nelson Mandela University is well-known for the excellent results which its graduates achieve in the professional qualifying examinations, and for the high employment rate of its graduates.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for degree entry must be met.
- An applicant with NSC Grade 12 Mathematics requires a minimum Applicant Score of 410.
- NSC achievement rating of at least 60% for Mathematics.

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

This programme is tailor-made to meet the needs of employers in the financial planning sector who require both management and specialist knowledge and skills. Nelson Mandela University in co-operation with the Financial Planning Institute of Southern Africa (FPI), is the first academic institution to offer a formal BCom degree in Financial Planning, giving access to membership of the FPI.

The FPI is the highly regarded professional certification institute in the financial planning industry in Southern Africa, carrying an international certification benchmark of recognition by the Financial Planning Standards Board (FPSB). The successful completion of the BCom (Financial Planning) programme will lead to a professional qualification, namely that of Financial Services Associate (FSA), awarded by the FPI.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for degree entry must be met.
- An applicant with NSC Grade 12 Mathematics requires a minimum Applicant Score of 390.
- NSC achievement rating of at least 50% for Mathematics.

8.7	BACHELOR OF COMMERCE IN FOOD SERVICE MANAGEMENT

Qualification code:	40160
Offering:	Full-time South Campus (A1)
Aligned NQF Level:	7
Total NQF Credits for qualification:	389

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The aim of this degree is to produce management professionals for the health and food service sector. Students will be taught to act as food service managers, who are well-grounded in business, financial and people management skills, but also able to solve specific health sector related problems within the food service industry.

There is currently a shortage of such managers within the health services food sector, and graduates will be able to ensure effective and efficient delivery of food services in the various health services institutions.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for degree entry must be met.

- An applicant with NSC Grade 12 Mathematics requires a minimum Applicant Score of 390.
- NSC achievement rating of at least level 50% for Mathematics.

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

This programme is offered to students wishing to major in General Accounting. The School of Accounting offers two accounting streams: General or Chartered Accounting, each of which is designed to meet the specific needs of accountants at appropriate levels within the accounting profession.

The General Accounting stream is intended for students who do not wish to qualify as Chartered Accountants but who may wish to join the other professional institutes such as the Institute of Chartered Secretaries and Administrators (ICSA), the SA Institute of Professional Accountants (SAIPA), the Association of Chartered Certified Accountants (ACCA), the Institute of Internal Auditors (IIA) and the South African Institute of Tax Practitioners or who do not wish to become professional accountants yet wish to include accounting as a major subject in their degree.

ADMISSION REQUIREMENTS
- Minimum NSC statutory requirements for degree entry must be met.
- An applicant with NSC Grade 12 Mathematics requires a minimum Applicant Score of 390.
- NSC achievement rating of at least level 50% for Mathematics.

Qualification code:	40201
Offering:	Full-time 2nd Avenue Campus (06)
Aligned NQF Level:	7
Total NQF Credits for qualification:	376

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The BCom degree in Hospitality Management has been designed to meet the growing managerial needs of the Southern African hospitality marketplace, and especially in the Eastern Cape.

While students will get the opportunity to develop practical and operational expertise in the industry, the degree programme aims to provide students with a comprehensive education in aspects of economics, business management, financial accounting, information systems and logistics, operations and marketing management, with a focus on the hospitality and tourism establishments.

ADMISSION REQUIREMENTS

- Minimum NSC statutory requirements for degree entry must be met.
- An applicant with NSC Grade 12 Mathematics or Technical Mathematics requires a minimum Applicant Score of 390.
- An applicant with NSC Grade 12 Mathematical Literacy requires a minimum Applicant Score of 405.
- NSC achievement rating of at least 50% for Mathematics or Technical Mathematics or 70% for Mathematical Literacy.

RE-ADMISSION REQUIREMENTS
Progress-based re-admission criteria apply as approved by Senate. Students who have obtained fewer than 72 credits (see table below) in their first year of study will only be allowed to register for the next year subject to certain conditions.

After 4 years	288+ credits	240 – 287 credits	Less than 240 credits
After 5 years			Less than 360 credits, unless special circumstances exist
After 6 years			N/A

STATUTORY AND OTHER REQUIREMENTS
Site of offering:
The qualification shall be offered at 2ⁿᵈ Avenue Campus of the university.

Equipment kits:
It is required for the Food Science modules that all students must purchase/obtain specific equipment before the commencement of practical training. The Department of Dietetics will supply the kits with all the equipment and laboratory uniform but students are responsible for the cost of the kits. Students have to pay for these kits before 1 March of every year. The cost of the kits will be communicated to students at the end of the previous year and at the beginning of each year again. Students will sign the list of equipment that they will receive and receive a copy of the signed list.

Laboratory fee:
The cost relating to laboratory work and the transportation fee of Hospitality students in the Food Science and Food Service modules from and to certain laboratory/teaching sites from first year will be recovered in full from the students concerned. In other words, students are responsible for a laboratory fee.

DURATION
The qualification shall be offered over a minimum of three years of full-time.

8.27 BACHELOR OF COMMERCE IN ACCOUNTING SCIENCE (LAW)

Qualification code:	42222
Offering:	Full-time South Campus (A1)
Aligned NQF Level:	7
Total NQF Credits for qualification:	518

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The BCom Accounting Science (Law) programme was introduced as stakeholders in the legal and accounting professions have for many years asserted that it is important to expose prospective new entrants to the respective professions to a wider range of law and accounting disciplines in order to equip them optimally for the challenges of their chosen career, an approach which has also been strongly endorsed by the respective Faculties and professions. The BCom Accounting Science (Law) programme has served this purpose well over the years. However, in the world of the legal practitioner, many a case arises where stringent financial analyses relating to legal compliance are required in order to formulate the appropriate legal response. Similar situations arise vice versa in the professional world of the accountant and auditor. The BCom Accounting Science (Law) programme, with an under-graduate specialty in the Accounting Sciences, is tailor-made to provide this two-way approach to legal and financial matters.

Once this four-year undergraduate qualification is conferred, the graduate has the option to either go the route of qualifying as a Chartered Accountant or to complete two more years towards obtaining the LLLB degree. The latter opens the door to qualify as a legal practitioner.

ADMISSION REQUIREMENTS
* Minimum NSC statutory requirements for degree entry must be met.

- An applicant with NSC Grade 12 Mathematics requires a minimum Applicant Score of 410.
- NSC achievement rating of at least 65% for English Home or 70% for English First Additional Language.
- NSC achievement rating of at least 65% for Mathematics.

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The qualification aims to prepare Honours students for research-based postgraduate study in Business Management by including a discrete research component in the curriculum; and
It aims to consolidate and deepen the student's knowledge and expertise relating to advanced contemporary business management theories and practices, and to develop appropriate applied competence to meet the need of the South African economy for well-qualified and competent business managers. As a result the graduates will enter the business environment as well-rounded corporate citizens capable of gainful economic activity, mindful of their social and environmental responsibilities.

ADMISSION REQUIREMENTS
Unless otherwise approved by the Head of the Department, the entrance requirement is an average mark of at least 60% for the third-year Business Management modules.

STATUTORY AND OTHER REQUIREMENTS
A maximum of two Honours modules (NQF Level 8) from another programme may be selected in consultation with and approved by the Head of the Department of Economics.

DURATION
The qualification shall extend over at least one year of full-time study.

Qualification code:	40520
Offering:	Full-time South Campus (A1) **OR** Part-time South Campus (A2)
Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

Programme purpose
The programme purpose is to provide candidates with the opportunity to access and acquire contemporary knowledge and develop competences through active engagement with the field of study known as Development Studies and its theories, principles, discourse, practices and policies of promoting integrated and holistic human development.

Programme outcomes
Graduates will demonstrate knowledge of contemporary development theory and the competence to identify, analyse, evaluate and address complex socio-economic development problems, review issues, offer and communicate creative insights, make decisions and use resources accountably and ethically with emphasis on strong community acceptance and ownership.

ADMISSION REQUIREMENTS
A Bachelor's Degree or an equivalent NQF Level 7 qualification with a major in one of the following fields: Development Studies, Anthropology, Geography, Sociology, Environmental Sciences, Economics, Economic History, Public Administration, Political Science, Social Development or Human Settlements, and a cumulative aggregate of at least 60% in the final year of the qualification.

Selection criteria
Because of restrictions in respect of student numbers, candidates will be selected based on the following criteria:

- Candidates who meet the admission requirements and with a previous qualification in Development Studies will be given preference.

The remainder of qualified applicants will be selected based on the following criteria:

o Presentation of a 3-page curriculum vitae (CV) that highlights the candidate's previous engagement in socio-economic development-related activities, nationally, provincially and/or locally;

o   A cover letter of no more than 100 words attached to the above-mentioned CV, motivating why the candidate should be considered for selection to the Bachelor of Commerce Honours in Development Studies;
o   Only candidates with demonstrated levels of digital literacy will be considered for admission.
o   Selection will take place during the course of the year of application and successful candidates will be informed not later than 20 December of that year.

Recognition of Prior Learning:
Applicants who do not meet the direct admission requirements as stipulated, but who can demonstrate experiential or work-based learning at an equivalent level (NQF 7) may be considered for RPL provided a proper structured assessment of the prior learning is conducted in terms of the NMU RPL Policy. Such candidates may be required to broaden their knowledge base by enrolling for identified preliminary modules prior to admission or parallel modules after admission.

RE-ADMISSION REQUIREMENTS:
Rule G3.7 applies. Students who have not completed the BA Honours Degree in Development Studies after two years of full-time or four years of part-time study must apply for re-admission to the degree. Should such students be readmitted, the retention of credits already obtained towards the qualification shall be subject to departmental approval.

DURATION
The minimum duration for completion of the BA Honours Development Studies is one year of full-time study and two years of part-time study.

CURRICULUM
Not all modules may necessarily be offered in a particular year. Please consult the timetable on the website.

Qualification code:	40528
Offering:	Full-time South Campus (A1)
Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME

This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

Industrial and Organisational Psychology (IOP) as a course of study has become increasingly relevant in the modern era. Evidence of that can be found in the significant volume of research-based publications, providing Industrial and Organisational Psychologists not only with a deeper understanding of human behaviour in the workplace, but also insight into the physical and psychological conditions of employees in diverse socio-economic work environments. These insights ultimately result in an improvement in the quality of life for employees, as well as the overall effectiveness of organisations in a local and global context. IOP makes large contributions to organisational effectiveness by enhancing performance, satisfaction, wellbeing, motivation and attitudes of employees.

ADMISSION REQUIREMENTS

A Bachelor's degree in Industrial Psychology and Human Resource Management, or an equivalent qualification, with an average mark of at least 60% for the required Industrial and Organisational Psychology modules at NQF Level 7.

Any deviation from these admission requirements is subject to approval by the Head of Department of IOP in terms of guidelines provided by the Faculty Management Committee.

DURATION

The qualification shall extend over at least one year of full-time study.

Total NQF Credits for qualification:	122

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The overall aim of the Honours programme is to provide graduates with a strong grasp of the theoretical foundations and insight into the core values and principles informing LR and HR best practice.

Following on a Bachelor's degree, this Honours programme is a post-graduate specialisation that provides students with an opportunity for advanced study in the area, thus consolidating and deepening the students' knowledge and expertise relating to theories and practices of LR and HR.

ADMISSION REQUIREMENTS
- Persons shall not be registered as candidates for the Honours degree except by permission of the Faculty of Business and Economic Sciences, on the recommendation of the Head of the Department concerned.
- Unless Senate decides otherwise, candidates shall be admitted only if they have a first degree with an aggregate pass of at least 60% with major subjects of at least one of the following: Sociology, Psychology, Industrial Psychology, Economics or Business Economics, Labour Law or Political Science, Business Management or Human Resource Management.
- In addition, candidates may be required to supplement their knowledge of a particular topic to the satisfaction of the Head of Department before being allowed to proceed to the corresponding section of the Honours degree.

DURATION
The qualification shall extend full-time over a minimum period of one academic year.

9.8	**BACHELOR OF COMMERCE HONOURS IN INDUSTRIAL AND ORGANISATIONAL PSYCHOLOGY**

Qualification code:	40526
Offering:	Full-time South Campus (A1)
Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME

 This programme has been approved in terms of the new Higher Education
 Qualification Sub-Framework (HEQSF).
The BComHons (Industrial & Organisational Psychology) programme proceeds on
the pathway set by the undergraduate BCom programme, deepening and broadening

the scientific study of human behaviour in the workplace. Being the first postgraduate specialisation in the field of IOP, it aims to develop an increased measure of intellectual independence in students by exploring the interaction between individuals and work processes with a view to predicting and promoting well-being and productivity and facilitating the most advantageous use of human resources in the organisation.

ADMISSION REQUIREMENTS
A Bachelor's degree in Industrial Psychology and Human Resource Management, or an equivalent qualification, with an average mark of at least 60% for the required Industrial and Organisational Psychology modules at NQF Level 7.

Any deviation from these admission requirements is subject to approval by the Head of Department of IOP in terms of guidelines provided by the Faculty Management Committee.

DURATION
The qualification shall extend over at least one year of full-time study.

Qualification code:	40527
Offering:	Full-time South Campus (A1) **OR** Part-time South Campus (A2)
Aligned NQF Level:	8
Total NQF Credits for qualification:	122

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The aim of the Honours programme is to provide graduates with a strong grasp of the theoretical foundations and insight into the core values and principles informing LR and HR best practice.

Following on a Bachelor's degree, this Honours programme is a post-graduate specialisation that provides students with an opportunity for advanced study in the

area, thus consolidating and deepening the students' knowledge and expertise relating to theories and practices of LR and HR.

Students will develop appropriate competence to meet the needs of the South African economy for well-qualified and competent human resource and labour relations professionals. The programme develops students' diagnostic and practical skills so that they may bring to any particular issue a clear understanding of the factors involved, insight into how problems may be resolved and practical implementation plans. By including a discrete research component in the curriculum, the programme will also prepare students for research-based postgraduate study in human resources and labour relations.

ADMISSION REQUIREMENTS
- Persons shall not be registered as candidates for the Honours degree except by permission of the Faculty of Business and Economic Sciences, on the recommendation of the Head of the Department concerned.
- Unless Senate decides otherwise, candidates shall be admitted only if they have a first degree with an aggregate pass of at least 60% with major subjects of at least one of the following: Sociology, Psychology, Industrial Psychology, Economics or Business Economics, Labour Law or Political Science, Business Management or Human Resource Management.
- In addition, candidates may be required to supplement their knowledge of a particular topic to the satisfaction of the Head of Department before being allowed to proceed to the corresponding section of the Honours degree.

DURATION
The qualification shall extend full-time over a minimum period of one academic year and part-time over a minimum of two consecutive academic years.

Total NQF Credits for qualification:	125

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The BComHons programme in Tourism Management, as the first postgraduate specialisation qualification, aims to fill this substantial need for well-qualified and competent tourism managers to carry the industry forward to 2020 and beyond. Its purpose is to develop tourism managers with an increasing measure of intellectual independence through an advanced level of theoretical and practical engagement. It thus consolidates and deepens students' knowledge and expertise relating to advanced contemporary tourism management theories and practices and develops appropriate applied competence to meet the need for well-qualified and competent tourism entrepreneurs, managers and strategists.

ADMISSION REQUIREMENTS
- A Bachelor's degree with an average final mark of at least 60% for the third-year Tourism modules (as the first major) and with Business Management or Economics as the second major, or unless otherwise recommended by the HOD and ratified by the FMC, or
- A relevant diploma or degree approved by the FMC on behalf of Senate, coupled with prior experiential learning, comprising no less than three years' working experience in the field of tourism. A candidate may be required to study additional modules prior to admission into the programme should any of the above requirements be lacking.

DURATION

The qualification shall extend over at least one year of full-time or two years of part-time study.

  o General Auditing 3B (RGO302 or RGOV302)
  o General Management Accounting 3A and 3B (RGK301/RGKV301 and RGK302/ RGKV302)
  o Or a pass in the following "R" equivalent modules: Accounting 3B (R302/ RV302); Taxation 3B (RT302/RTV302); Auditing 3B (RO302/ROV302); Management Accounting 3A and 3B (RK301/RKV301 and RK302/RKV302)
  OR
- An appropriate Bachelor's degree or an Advanced Diploma at NQF Exit Level 7 in a cognate field of study (cf Rule G3 – 3.1.1), together with either:
  o A pass in or exemption from all the fundamental papers of the ACCA, OR
  o A pass in or exemption from all the operational level papers of CIMA.

RE-ADMISSION REQUIREMENTS
Full-time and part-time candidates have two years and four years respectively to complete the Postgraduate Diploma in Accountancy. Those candidates who have not completed the diploma after two years of full-time study or four years of part-time study must apply for re-admission. Should such candidates be re-admitted, the retention of

credits already obtained towards the postgraduate diploma shall be subject to approval by the head of the relevant department.

STATUTORY AND OTHER REQUIREMENTS
An elective module will not be offered unless a minimum number of students, as determined by the Head of the Department of Accounting Sciences, are registered for the particular elective module.

DURATION
The qualification shall extend over at least one year of full-time or a maximum of four years of part-time study.

Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The Postgraduate Diploma in Applied Economics has been designed with the primary purpose of providing holders of the Advanced Diploma in Economics, certain categories of graduates, as well as practising economists in the private and public sector, with the opportunity to gain a deeper understanding of micro- and macroeconomic theory, and to reflect critically on economic practices and applications. This includes "building intuition" and competence in the verification (testing), development and application of economic models used to explain the behaviour of governments, consumers, businesses and markets, as well as the econometric (i e mathematical) tools to do so. In addition, candidates will also get the opportunity to conduct field work in economics by applying relevant economic survey techniques.

ADMISSION REQUIREMENTS
An Advanced Diploma in Economics or an equivalent qualification in a cognate field of study with an aggregate pass of at least 60%.

RE-ADMISSION
Progress-based re-admission criteria apply, as approved by Senate. Students must pass at least two twenty-credit modules per year (40 credits) to be re-admitted to the next year of study. In addition, a candidate shall not be allowed to repeat a failed module more than once.

DURATION
The qualification shall extend over one year of full-time study. The maximum period of study is three years.

Qualification code:	42240
Offering:	Part-time 2ⁿᵈ Avenue Campus (27)
Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME

This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The programme aims to provide the students with broad-based theoretical and practical knowledge of Business Management.

It also aims to develop in graduates the capacity for lifelong learning and an awareness of the social context in which they will be working, once they enter the business world.

The primary purpose of the qualification is to prepare candidates for senior administration-level and first line management positions in the private and development sectors. The qualifying learner obtains a Postgraduate Diploma in the fields of Financial Accounting Aspects, Marketing Management, Operations Management, Analytic Decision Making, Information Management, Strategic Management, Entrepreneurship, Management Accounting, Management and Corporate Governance and Human Resource Management. This Postgraduate Diploma provides broad exposure to the processes and functions of business and/or public sector management within the context of an integrated, holistic organisational approach and a transforming socio-economic setting.

ADMISSION REQUIREMENTS

Unless Senate decides otherwise, candidates shall be admitted to the studies for the Postgraduate Diploma in Business Administration if they hold:
- a Bachelor's degree and have obtained an average final mark of at least 60% in the third-year modules, or

- a relevant diploma or degree approved by Senate, coupled with prior learning, which should comprise no less than three years' experience in the field of Business. Should any of these requirements be lacking, a candidate may be required to undertake additional modules prior to entering the programme.

RE-ADMISSION REQUIREMENTS
Full-time and part-time students must obtain a minimum of 60 credits per academic year to be eligible for readmission to the following academic year.

STATUTORY AND OTHER REQUIREMENTS

Offering:	Full-time 2nd Avenue Campus (06) **OR** Part-time 2nd Avenue Campus (27)
Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The primary purpose of the Postgraduate Diploma in Development Finance is to develop competent development finance practitioners with the ability to plan, manage, analyse and monitor the financial and monetary aspects of their respective

organisations. Critical aspects of development finance and its relation to sustainable socio-economic growth are analysed based on coherent and relevant theoretical frameworks that underpin development finance practice.

ADMISSION REQUIREMENTS

The minimum entry requirement is a Bachelor's degree, or an Advanced Diploma, or an equivalent qualification at NQF Level 7, in a commerce- and/or finance- related field of study, with a mark of at least 60% for each of the final-year core modules of the qualification.

Only candidates with demonstrated levels of digital literacy will be considered for admission.

RE-ADMISSION REQUIREMENTS

Students who have not completed the Postgraduate Diploma in Development Finance after two years of full-time or four years of part-time study must apply for re-admission to the degree. Should such students be readmitted, the retention of credits already obtained towards the qualification shall be subject to departmental approval.

SELECTION PROCEDURE

The initial intake into the programme will be limited to 15 candidates; thereafter to 20 candidates per year. Preference will be given to qualified applicants with proven work experience in finance departments of development banking and non-banking finance institutions, government-linked development finance departments or other institutions like municipalities and NGOs. However, every year, 4 places will be reserved for top-performing applicants in the Advanced Diploma in Business Studies, who wish to articulate directly into this postgraduate diploma.

STATUTORY AND OTHER REQUIREMENTS

Recognition of Prior Learning:

Applicants who do not meet the direct admission requirements as stipulated, but who can demonstrate experiential or work-based learning at an equivalent level (NQF 7) may be considered for RPL provided a proper structured assessment of the prior learning is conducted in terms of the NMU RPL Policy. Such candidates may be required to broaden their knowledge base by enrolling for identified preliminary modules prior to admission or parallel modules after admission.

DURATION

The minimum duration for completion of the Postgraduate Diploma in Development Finance is one year of full-time study and two years of part-time study.

Qualification code:	42260
Offering:	Full-time South Campus (A1)
Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The qualification will be the highest professional qualification in this field available in South Africa and will contribute to the professional competency of financial planners which will consequently make them eligible for professional membership of the Financial Planning Institute of Southern Africa and for accreditation as a Certified Financial Planner® (CFP®).

The CFP® professional designation is internationally recognised as the pinnacle of educational achievement in financial planning. The Financial Planning Standards Board (FPSB) is a global body which owns the CFP® mark. In South Africa the Financial Planning Institute is the gatekeeper to the professional accreditation of CFP®.

ADMISSION REQUIREMENTS
An appropriate Bachelor's degree or an Advanced Diploma at NQF Exit Level 7 or an equivalent qualification approved by Senate.

RE-ADMISSION REQUIREMENTS
Students must achieve a minimum of 40% in the module examinations to be eligible for readmission.

STATUTORY AND OTHER REQUIREMENTS
Examinations:
Examinations will take place in the normal examination sessions at the end of each semester. All modules are assessed on an open book basis with the exception of Financial Planning Environment, which is a closed book examination to test the students' knowledge of the regulatory environment governing financial planning in South Africa. The examinations are four hours and take place on the Summerstrand,

Port Elizabeth Campus of the University. Examinations comprise 70% of the final mark for each module. Students are required to achieve a minimum class mark of 40% in order to gain admission to an examination. The final pass mark is 50% per module.

DURATION
Four modules are presented in the study programme. All modules must be passed in order to receive the qualification. Students may elect to take all modules at once or may spread the number of modules taken per year to suit their personal schedules. It is recommended that the Case Study module be attempted last if students elect not to do all modules in one year. Various overlap exists in the knowledge areas comprising the modules, therefore, where possible, students who can take all modules in one year are recommended to do so.

Aligned NQF Level:	8
Total NQF Credits for qualification:	120

THE PURPOSE OF THE LEARNING PROGRAMME
This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The programme is designed to equip graduates with the essential knowledge and specific skills in order to be competent in performing internal audit engagements (manual and computerised) and act as internal audit managers or internal audit consultants. The programme is designed to enhance the employability of learners by preparing them for the internal audit profession or for further learning in this field. A person accredited with this qualification will be able to:

- Demonstrate a coherent and critical understanding of the International Professional Practice Framework (IPPF) of the Institute of Internal Auditors;
- Demonstrate expertise in advanced internal auditing;
- Demonstrate expertise in assessment of risk, internal control and corporate governance matters;
- Demonstrate expertise in information systems auditing.

ADMISSION REQUIREMENTS
A relevant NQF level 7 Bachelor's degree or Advanced Diploma with:
- Auditing and Management Accounting as majors;
- An average final mark of 55% in the final year modules; or
- A relevant degree or advanced diploma approved by Senate coupled with prior learning, which should comprise at least three years' experience in the field of Internal Auditing.

SELECTION PROCEDURE
Due to restrictions in respect of student numbers, selection will be made on a basis of first come, first served.

STATUTORY AND OTHER REQUIREMENTS
Format of offering:
In addition to the normal full-time mode of delivery, this qualification is offered on a block release mode of delivery. Block release mode of delivery entails short continuous and concentrated periods of face-to-face contact sessions alternated with longer off-campus self-study periods. Contact sessions for the first semester modules will be during the second half of January and the second half of May, and for second semester modules during the second half of July and the second half of October.

A particular delivery method will not be offered unless a minimum of 10 students are registered for the particular mode of delivery.

DURATION
The qualification shall extend over a minimum period of one year block release study.

THE PURPOSE OF THE LEARNING PROGRAMME
A defining feature of the "Nelson Mandela University MBA" is our focus on leadership development, which spans throughout the programme. Our leadership development programme forms the backbone of our MBA and infuses leadership development throughout our MBA modules.

The Nelson Mandela University MBA is specifically designed to foster strong decisive leaders armed with business acumen and theoretical knowledge backed by a willingness to take risks and follow their instincts in order to "make it happen".

We, at the Nelson Mandela University Business School, believe that theory is nothing without practice and that ideas cannot come alive without action. Working in small syndicate groups with an experienced cohort of professors, lecturers, high-profile guest speakers and fellow students, you will operate at a senior management level,

steering your management team through an ever-changing panorama of challenges that impact on real-world business.

Our MBA programme provides an intensive environment where dynamic professionals are grounded in the vital disciplines of business management. It challenges you to think and act creatively. The programme is stimulating, rewarding and enjoyable. You will learn alongside other business leaders of the future and will develop self-discipline, self-awareness and other important leadership qualities.

ADMISSION REQUIREMENTS
The admission requirements reflected below were applicable up to the final year of admission for this qualification and are only retained for record purposes:

M+3 qualification, i.e. a three-year national diploma or a university degree or an equivalent SAQA-approved qualification.

Candidates who have not had sufficient computer experience are required to attend introductory lectures on integrative computer training (ICT). These lectures do not attract additional costs and aim to increase proficiency in MS Word, MS Excel and MS PowerPoint, all of which are essential for successfully completing the MBA programme.

There are two lectures, which will take place on Saturdays during the first trimester. One of these lectures caters for candidates at the beginner's level and the other for candidates at an advanced level. The work covered in these lectures is not examinable.

A limited number of candidates without the required M+3 qualification will be accepted onto the programme each year, provided that they have wide business experience and a proven "track record". Prospective applicants in this category are advised to make telephonic enquiries well before the end of September prior to the intended year of enrolment.

SELECTION PROCEDURE
Applicants will be required to go through a selection process, which will include testing and an interview.

STATUTORY AND OTHER REQUIREMENTS
Full-time vs Part-time registration:
Students may only register as full-time candidates if they are available on a day-today basis to attend and participate in the postgraduate programme. A student who is unable to attend as stated will be automatically be defined as a part-time student for the purpose of postgraduate studies. Changes to the status of a candidate from part-time to full-time or vice versa need to be approved by the Chairperson of the Faculty Postgraduate Studies Committee

Qualification structure:
The MBA programme is offered on a part-time basis over a minimum period of three years or on a full-time basis over 18 months. Each year comprises three trimesters and, if candidates have good reason, they can apply in writing to have this period extended.

The programme aims to provide insight to the dynamics and management challenges of the business environment in which organizations operate and the first eight modules, which are completed over four trimesters, focus on these processes.

In the remaining seven modules, the programme emphasises the principles and workings of management processes in order to hone and develop managerial ability and skills to full potential. Finally, to conclude the programme, candidates are required to submit a research treatise of 20 000 words.

The content and structure of the programme are based on internationally-accredited and accepted standards. Its specific aim is to equip South African managers with the necessary knowledge and skills to understand and operate in a global economy, in a world of vanishing economic and business boundaries. The Business School ensures that it addresses the changing face of international business by continually adapting and/or changing the curriculum to ensure that the programme remains at the cutting edge of work relevancy. For further information, visit www.mbasouthafrica.com.

Experience requirements:
A minimum of three (3) years' relevant working experience (i.e. experience of managing a business or a department at senior supervisory or junior management level and/or work experience within a business environment).

Registration:
Students will not be allowed to register for more than 120 credits per year.

On submission of the research project and paper for examination purposes, candidates are also required to submit a signed declaration from a language expert that the document was proof-read by him/her.

Additional non-compulsory (non-credit bearing) modules:
- This is a year module but split over 2 years into modules:
  - Leadership: Project 1 (module BLP1TR0) **and**
  - Leadership: Project 2 (module BLP2TR0)
- BAF5TR1 is a trimester module intended to prepare students that had not done Accounting at tertiary level.

Electives:
Particular electives will only be offered in a given academic year if there is adequate demand to provide financial justification.

DURATION
Part-time   6 years

THE PURPOSE OF THE LEARNING PROGRAMME

This programme has been approved in terms of the new Higher Education Qualification Sub-Framework (HEQSF).

The purpose of a doctoral degree such as the PhD is to develop and promote the research capacity of qualifying candidates at the most advanced academic level, culminating in the submission, assessment and acceptance of a substantive research report – also known as the thesis. Candidates are required to make an original academic contribution to the field of study, and in addition, the thesis must be of a quality that satisfies peer review and merits publication.

ADMISSION REQUIREMENTS

- A cognate master's degree by research only, passed with at least 60% or an equivalent grade that reflects a relevant standard of knowledge in a particular field as well as research competence
  OR
  A cognate master's degree by course work and research, with the treatise or mini-dissertation passed with at least 60% or an equivalent grade. In addition, a pass of at least 60% or an equivalent grade should have been attained for each of the course work modules.
- Candidates who have completed their master's degree by course work and treatise or mini-dissertation may be required to do and pass an approved research methodology module, at the appropriate level, with at least a 60% or an equivalent grade, should such a module not have been included in their learning programme.

The purpose of a doctoral degree such as the PhD is to develop and promote the research capacity of qualifying candidates at the most advanced academic level, culminating in the submission, assessment and acceptance of a substantive research report – also known as the thesis. Candidates are required to make an original academic contribution to the field of study, and in addition, the thesis must be of a quality that satisfies peer review and merits publication.

ADMISSION REQUIREMENTS
- A cognate master's degree by research only, passed with at least 60% or an equivalent grade that reflects a relevant standard of knowledge in a particular field as well as research competence
  OR
  A cognate master's degree by course work and research, with the treatise or mini-dissertation passed with at least 60% or an equivalent grade. In addition, a pass of at least 60% or an equivalent grade should have been attained for each of the course work modules.
- Candidates who have completed their master's degree by course work and treatise or mini-dissertation may be required to do and pass an approved research methodology module, at the appropriate level, with at least a 60% or an equivalent grade, should such a module not have been included in their learning programme.
- Candidates who have not met all of the criteria as outlined above, may apply for provisional registration for the degree of Doctor of Philosophy (PhD) and will be required to register for and pass, with at least 60% or an equivalent grade, a module or modules as recommended by the HOD for approval by the RTI Committee of the relevant School within the Faculty

SELECTION PROCEDURE
- Timeous application is required to allow for a thorough adjudication of applications.
- Applicants, as part of their application, need to present a preliminary proposal outlining the focus and nature of the intended research.
- Upon application, candidates who have not previously studied at Nelson Mandela University, will be required to submit an official, verified transcript of their academic record that, where applicable, includes the syllabus of each module passed in their preceding degree programme together with a copy of the research project, mini-dissertation or treatise.
- The acceptance of an application is subject to the availability of the implied supervisory capacity, both in terms of time and expertise.

- International students who have completed previous qualifications in a language other than English must submit proof of English language proficiency reflecting minimum adequate scores as follows:
  - ❖ IELTS: 6.5 minimum overall score with minimums of 6 in each section;
  - ❖ TOEFL:
    - o Paper-based (PBT) – 580 minimum overall score with minimums of 53 in listening, 52 in reading and 59 in structure/written;
    - o Computer-based (CBT): 237 minimum overall score with minimums of 19 in listening, 19 in reading and 25 in structure/written;
    - o Internet-based (IBT): 92 minimum overall score with minimums of 18 in listening, 17 in reading, 22 in writing and 22 in speaking.

STATUTORY AND OTHER REQUIREMENTS
Full-time vs Part-time registration:
Students may only register as full-time candidates if they are available on a day-today basis to attend and participate in the postgraduate programme. A student who is unable to attend as stated will be automatically be defined as a part-time student for the purpose of postgraduate studies. Changes to the status of a candidate from part-time to full-time or vice versa need to be approved by the Chairperson of the Faculty Postgraduate Studies Committee

DURATION
The programme of study shall extend over a minimum period of two years and a maximum period of six years.
